August 4, 1932.

Clarence V. Nickerson, Chairman,
Board of Selectmen,
Town of Hull, Massachusetts.

My dear Mr. Nickerson:

We are taking this opportunity to acknowledge, and thank you for, the splendid cooperation which you and your associates on the Board of Selectmen gave this Chamber in its efforts to secure the much needed Commonwealth Pier at Buzzard Bay on Cape Cod Canal.

The Pier, as you know, is now under construction and expected to be completed and in operation before our next summer season. It is realized that the cooperation that you and your associated gave the citizens of this community was one of the factors which made the "Port of Buzzards Bay" possible.

We wish also to express appreciation for the splendid efforts which you and your associates, in the Town government of Hull, have expended in your community. You have secured some very important public improvements. We have in mind the new George Washington Boulevard completed last winter; dredging improvements at your new steamboat Pier and the improved approach to your Town through the Metropolitan Park Reservation which we understand is about to be resurfaced, and many other local improvements sponsored by your Board.

We would like also to express, through you, our appreciation of the efforts and cooperation which your citizen, Mr. Joseph A. Conway has extended our community over a period of nearly two years and to all other citizens of Hull who have been helpful. Any improved transportation facilities between Boston and Hull would benefit all of the South Shore.

The recent meeting attended by His Excellency Governor Ely, members of his Council, and other statesmen at Buzzard Bay was intended as an expression of appreciation on the part of citizens of this community for their cooperation.

We greatly appreciate the value of such unselfish public service on your part in the development of South-eastern Massachusetts not alone for the work that has been done in your community but by you in assisting neighboring communities in their efforts to bring about a more prosperous future.

Yours very sincerely,

HBI:M

Harry B. Ivers, Secretary.
